CONSENT AND WAIVER FORM

As the parent or legal guardian of Angelo Miguel G. Vinluan (referred to as “scholar”), I hereby acknowledge that I have been informed of the details of the conduct of pilot implementation of in-person learning as well as extra and co-curricular activities.

I understand that PSHS Main Campus shall implement the minimum public health standards and protocols set by the government to minimize risk of the spread of COVID-19, but it cannot guarantee that scholar will not become infected with COVID-19, given that COVID-19 is highly contagious.

I understand that the scholar’s in-person attendance in school will include associating with homeroom or academic adviser, fellow scholars and PSHS Main Campus personnel, and other persons inside and outside of the PSHS Main Campus that may put scholar at risk of COVID-19 transmission, notwithstanding the precautions undertaken by the PSHS Main Campus.

I acknowledge that scholar’s participation in this in-person class and activities is COMPLETELY VOLUNTARY. While there remains the risk of possible COVID19 transmission to scholar/s, and to the members of my household, I freely assume the said risk and I permit the scholar to attend in person classes and activities.

I am aware that symptoms of COVID-19 include, but are not limited to, fever or chills, cough, shortness of breath or difficulty of breathing, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, nausea, vomiting, and diarrhea.

I confirm that the scholar currently has none of those symptoms, and is in good health with corresponding medical clearance issued by a licensed medical doctor. I will not allow the scholar to physically go to PSHS Main Campus to attend in-person classes and activities if scholar or any member of my household develops any of the said symptoms or any other flu-like symptoms of illness that may or may not be related to COVID-19. I will also inform the PSHS Main Campus and not allow scholar to attend in-person classes and activities if scholar or any of my household members tests positive for COVID-19. The scholar and I, with my household members, will follow the required latest IATF health and quarantine protocols and procedures adopted by PSHS Main Campus and our community.

To the extent allowed by law and rules, I hereby agree to waive, release, and discharge all other claims, causes of action, damages, and rights against the PSHS Main Campus and its personnel relative to the conduct of the in-person classes and activities.

With full understanding, I – on behalf of myself, my household members, and the scholar– hereby freely and voluntarily give my consent to scholar’s participation in the

implementation of in person learning from **April 27 & May 4, 11, 18, & 25, 2022**. I also attest that I had sought the views of the scholar and he/she has expressed willingness to participate in the in-person classes and activities.
